

LUTHERAN SENIOR SERVICES

Group Opportunities

Gather up your friends or coworkers and have a great time helping others! Volunteering for our organization not only supports our mission to help *older adults live life to its fullest*; it also provides those who work alongside us the opportunity to discover the joys of serving others, of connecting with seniors who have rich life experiences to share, and to learn valuable skills. Thank you for your interest in giving your time and talent to Lutheran Senior Services. If you have questions, a member of our staff can help tailor a project that works for you!

Requirements:

- A group leader should complete one application.
- The group will attend a brief orientation the day of service.
- Youth volunteers are welcome! Minors under 18 must have a guardian-signed release and youth under 14 must be accompanied by a guardian during service.

Group Activities

Help us create moments of joy and excitement for our seniors. Small groups are a huge help when it comes to parties, craft time, BINGO, etc. Our staff appreciates the extra hands and our residents love the interaction.

Special Events and Fundraisers

It takes many hands to make our special events and fundraisers a success. Be there for celebrations such as a Veteran's Day party honoring our residents who served or our black-tie gala. Volunteers help us plan, coordinate, and create an enjoyable experience for attendees. **Age requirements vary depending on the event.*

Share Your Talents or Expertise

Do you and your friends play instruments or have collections you'd like to share? Maybe you are part of a theatre group or have visited an interesting place you'd like to tell us about. Our residents are eager to learn and love to be entertained. Spending just a few hours of your time can make a big difference in their day.

Cleaning & Landscaping

Have some elbow grease or a green thumb you'd be willing to share with us? Our communities are always thankful for those who are willing to help beautify our spaces.

Service-to-Go Projects

Perhaps your group would like to get together and work on a project on their own time – no problem! Our residents love to receive hand-made greeting cards, crafts, letters of encouragement, lap blankets, etc.

Adopt-a-Senior

Some of the seniors we serve through our Affordable Housing and Aging Answers programs have limited financial resources. Your group can make a difference by hosting a drive or collecting requested items such as toiletries, cleaning supplies, coffee, and snacks.
