

**REMEMBER:
A TREE
IS A LASTING MEMORIAL.
DURING ITS LIFETIME IT WORKS
TIRELESSLY TO:
Remove and sequester CO₂,
prevent soil erosion,
manufacture O₂, create beauty and
provide stability in a changing world.**

U. S. Dept. of Agriculture

The Luther Crest campus is a 50-acre arboretum featuring a collection of approximately 130 labeled trees. The arboretum is accredited by ArbNet.

OUR MISSION IS FOUR-FOLD:

1. To enhance the beauty of the campus
2. To provide an opportunity for learning and enrichment
3. To create a healthy and sustainable environment
4. To provide sites for rest and contemplation
